LEGACY & IMPACT PARTNERSHIPS

DESCRIPTION

The 5th annual *Village of Healing Noire Soirée* is the premier annual fundraising experience rooted in Black excellence, cultural dignity, and community healing.

Hosted in Cleveland, Ohio, the *Noire Soirée* annually brings together over 200 healthcare champions, philanthropists, and community leaders committed to sustaining culturally sensitive, relationship-based care for Black families and historically underserved communities across Northeast Ohio.

This year, we're not wavering, we're focused on continuing our mission, rooted in healing, empowerment, and collective responsibility.

Our Legacy & Impact Partnerships represent more than sponsorship—they are investments in healing as a legacy, workforce stability, and the long-term sustainability of community-rooted healthcare. Support from our partners allows Village of Healing to fully underwrite the cost of this event, ensuring that every ticket sold directly advances patient care, access, and measurable health outcomes.
